### **Wildlife Forever**

#### **THE ART OF CONSERVATION FISH ART CONTEST**

DEADLINE: February 28, 2023

Celebrate the 25th Anniversary of the Fish Art Contest! With over 55,000 entries and counting, the Fish Art Contest is the BEST way to introduce youth to conservation and the joys of fishing. The Fish Art Contest uses art, science, and creative writing to foster connections to the outdoors and inspire the next generation of stewards.

Create a hand-done, original illustration of your species. Exact copies of a photo or other artist's work will be disqualified. Any 2D medium is acceptable. A personally written piece of creative writing or essay (one side of one page) sharing what you learned. Essays are not required for K-3 and international participants, but will be considered for awards if submitted.

### **Khaled bin Sultan Living Oceans Foundation**

#### **SCIENCE WITHOUT BORDERS® CHALLENGE**

DEADLINE: March 6, 2023

The Science Without Borders® Challenge is an international contest that engages students and teachers in ocean conservation through art. This annual competition inspires students to be creative while promoting public awareness of the need to preserve, protect, and restore the world's oceans and aquatic resources, contributing to the overarching goals of the Khaled bin Sultan Living Oceans Foundation. **The Challenge is open to primary and secondary school students 11-19 years old**, with scholarships of up to \$500 awarded to the winning entries.

The theme for the 2023 Science without Borders® Challenge is "The Sixth Extinction." For this year's contest, you can help create awareness about endangered species. We ask students to create a piece of artwork that highlights the beauty and importance of a marine species that is on the brink of extinction.
