DISABILITY DRAWING CLUB – MAGIC EYE

July 1 - August 2, 2025

Now on view, Renee Reizman: Disability Drawing Club – Magic Eye at the CSUF Grand Central Art Center. Part hangout, part drawing workshop, Disability Drawing Club (DDC) is a safe space that allows people with disabilities, chronic illness, and mental illness to be unapologetic about their bodies. It also broadens representation of the disabled experience within one's community.

DDC's pop-up at Grand Central Art Center, Magic Eye, explores invisible disabilities and illnesses, which are often absent from visual representations of disability. Like many people, Reizman appears able bodied, but each day she combats a miserable cocktail of sharp pain, extreme fatigue, bloat, and brain fog.

THE SECRET ART OF DR. SEUSS

June 5, 2025 – August 3, 2025

Illustrator by day, surrealist by night, Dr. Seuss created a body of irrepressible work that redefines this American icon as an iconographic American artist. *The Secret Art of Dr. Seuss* often shows a side of the artist that most readers, familiar with him through his classic children's books, have never seen. These "Midnight Paintings," along with significant drawings and sculpture, were often created by Dr. Seuss at night for his own personal enjoyment and were rarely, if ever, exhibited during his lifetime.
